

Anointed Remnant Global Assemblies

Anointed Remnant Global Assemblies (ARGA) is a 501(3)(C) nonprofit church with a fundamental purpose of sharing relevant truth, educating, and empowering those that complete the program to be their “best self now.” Our partners support our efforts because they can see the tangible difference in their ministry.

ARGA nurtures the potential of leaders, regardless of vocation and call by supporting their unique development journey through holistic programming from infancy to maturity; providing leaders with the tools and resources they need to succeed in ministry.

We do this by closing the ministry gap with pilot programs that improve leaders’ educational readiness, engagement and outcomes, while helping those participating in the five-fold ministry grow emotionally and physically.

Finally, ARGA is committed to diversity and inclusion. We are a tapestry of people of all ages and from every walk of life working side by side to strengthen communities. Together we work to ensure that every one of the Judeo-Christian belief, regardless of denomination, cultural background, ethnicity, gender, national origin, or race has the opportunity to reach their full potential with dignity. Our core

values are caring, honesty, respect and responsibility—they guide our thoughts and steps for better communities.

Anointed Remnant Global Assemblies

“For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others.”

Ministry is reaching people with a message and a method that makes a difference.

WHAT IS THE CRITERIA TO JOIN ARGA

You must be a part of the Body of Christ, participate in covenant partners'

campaigns as well as make a financial commitment.

Covenant pastors of ARGA are asked for their continued support through partnership with a 2% commitment of their church tithes. These pastors are covering churches are distinguished by a diamond in the listing of churches. Leaders that do not Pastor a congregation but lead a non-fundraising group of people are assessed \$120.00 annually.

Titles earned and recognized in other fellowships/jurisdictions will be honored but not all are transferable to the Assembly. If you are an "Overseer" or "Bishop" your title must match the oversight of the ministry or office you're covering.

AFFLIATE LEADERS

We are an Assembly that comes together to fellowship with the Lord and each other. You can very well affiliate with us under our umbrella, "Fellowship of Churches." We believe that it's important to continuously breakdown the "walls of tradition." As a member of the fellowship of churches we will work with you and your organization, but please note that ARGA's guides are priority.

Conversely, we want be examples of unity, by coming together in *one* Spirit as members working together in the Body of Christ.

That said, those joining ARGA Fellowship of Churches must be licensed and ordained with their Church, Jurisdiction or Assembly. If the person or persons desire

membership they must forfeit their previous organizations licensure based on their commitment to be more than a member of the Fellowship of Churches and covered by ARGA

COVENANT PASTOR'S & LEADERS

There is no requirement for a Covenant Pastor or Leader to surrender their properties, deeds, or add ARGA to bank accounts. Every Pastor is governed by the Word of God and asked to conduct themselves with the highest degree of integrity. Thus, whatever God blesses individual churches to obtain it is absolutely the ownership of the church/pastor until such time a binding donation to the Assembly is made.
